

The Barbados Dream

Enjoy it from the comfort of this very special suite.

No. 1 Palm Beach

St. James, Barbados

Imagine an ocean breeze caressing you as you gaze out over a sparkling bay. You're feeling pleasantly relaxed after a morning of sail boarding on those crystal waters. An hour on the clean sandy beach has warmed your body and sparked your appetite. You contemplate a light lunch of fresh fruit and seafood in the cool shade of your private apartment balcony. Your only concern is whether to see a floor show and go dancing or visit a four-star restaurant that evening. Surrounded by tropical gardens and lush palms, you take a deep breath and let all your cares melt away.

Stroll the spectacular beach just outside your suite.

Does this sound like a dream? Well, it's real. And it can be yours at a surprisingly modest cost. Being privately owned and managed, this property has high standards of furnishing, cleanliness and security.

We have taken great care to make the suite comfortable. A family of four can sleep in comfort as the lounge couches can be converted to extra beds. A quick tour of the suite will reveal a well-equipped kitchen and a spotless full bathroom with shower and dressing area.
